Changed By Christ To Change The World

March 12, 2021

Dear church family,

We praise God for His hand of protection over our church during the pandemic.

We are open for adult Sabbath School only at 10:00am, and for the worship service at 11:00am.

Masks are required, physical distancing is observed, and other Covid mitigation procedures are in place.

Thank you for doing your part by staying home if sick, and monitoring your temperature before coming to church (no more than 100.3).

Under phase 2, our capacity is 100 persons, so RSVP at 425-226-0490 to ensure your seat.

In Him,

Randy Maxwell

Pastor, Renton SDA Church
